
 <p>INTERNATIONAL WATERLILY AND WATER GARDENING SOCIETY</p>	<p>APPLICATION TO REGISTER A CULTIVAR NAME NYMPHAEACEAE</p>	
<p>Appointed by the International Society for Horticultural Science (ISHS) The International Registration Authority (ICRA) for Nymphaeaceae Salisb.</p>	<p>Address for all correspondence:</p> <p>The International Registrar for Nymphaeaceae Salisb. The George Safford Torrey Herbarium Department of Ecology & Evolutionary Biology, The University of Connecticut, 75 North Eagleville Rd, Unit 3043, Storrs, Connecticut 06269-3043</p>	<p>Appointed by The International Waterlily and Water Gardening Society for Registration of Cultivar names</p>

PART 1: THE NAME OF THE CULTIVAR

1	State the genus of the cultivar	
2	State the species to which the cultivar belongs (if known)	
3	State the proposed cultivar name	
4	Name and address of originator <div style="text-align: right;">Date originated</div>	
5	Name and address of Nominant if different from above <div style="text-align: right;">Date named</div>	
6	Name and address of Introducer if different from above <div style="text-align: right;">Date introduced</div>	
7	Name and address of Registrant if different from above	

	Telephone number Fax number E-mail address	
8	If the cultivar name is being registered on behalf of an organization, give name and address of that organization.	
9	Has the Originator given permission for the cultivar to be registered under the proposed name?	Circle: YES NO
10	As far as you know has the name already been published in a dated publication together with a description?	Circle: YES NO
11	If the answer to 10 is "YES" please give details of the earliest publication and enclose a copy or photocopy of the relevant pages (including evidence of date) with this application form.	
12	As far as you know has the cultivar ever been subject to application for, or grant of, a Patent or Plant Breeders Rights.	Circle: YES NO
13	If the answer to 12 is "YES" please give details of the first such issuing authority and any grant number (s) issued. Grant Number Issued by	
14	As far as you know is the cultivar being sold under a trade designation ('selling name' for marketing purposes) instead of the cultivar name?	Circle: YES NO
15	If your answer to 14 is "YES" please list any such trade designations together with any other information you may have.	
16	Is the cultivar marketed under a trademark which has been formally registered by a trademark authority (and entitled to bear the sign ®)?	Circle: YES NO
17	Is the cultivar marketed under a non-registered trademark denoted by the sign ™?	Circle: YES NO
18	If the answer to 16 or 17 is "YES" please give name and address of the trademark owner (or his assignee) for registered trademarks, please state the issuing authority together with any grant number (if known).	

	Grant Number Issued by	
--	---------------------------	--

19	If the cultivar is named after someone living or dead, have you had permission from that person (or his/her legal representative) to register the name?	Circle: YES NO
20	If it is not obvious, please state the name derivation (meaning) of your proposed name.	
21	Has a Standard been deposited for inspection in a recognized herbarium?	Circle: YES NO
22	If the answer to 21 is "YES" please list the herbarium and any others maintaining duplicates.	

PART 2: HISTORY OF THE CULTIVAR

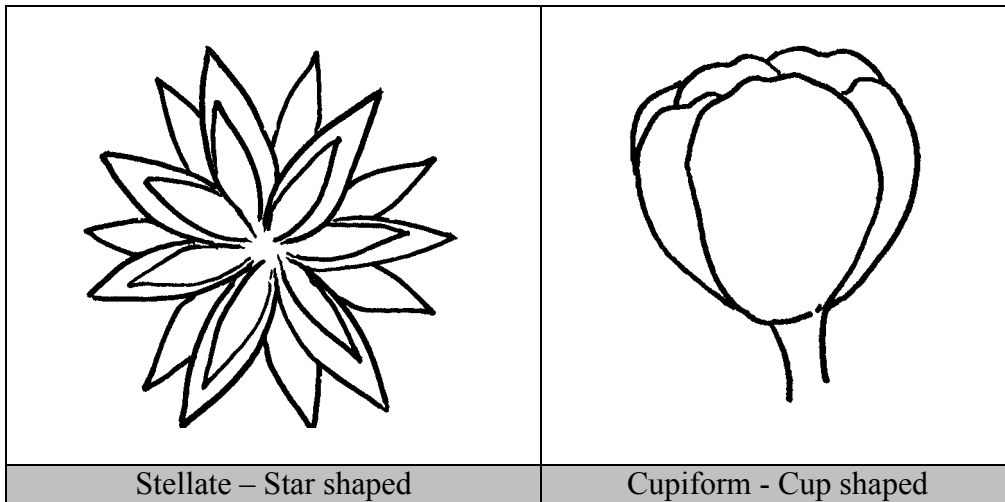

23	If the cultivar was found growing in the wild please give original location where it was found.	
24	Was the cultivar selected from a batch of cultivated seedlings?	Circle: YES NO
25	If the answer 24 was "YES" please state the name of the parents if known.	
	Seed (maternal) parent	
	Pollen (paternal) parent	
26	Name and address of Raiser or Hybridizer	
	Year of raising / hybridizing	
27	Was the cultivar derived from a sport of another plant?	Circle: YES NO
28	If the answer to 27 is "YES" please state the name of the parent plant.	
29	Name and address of propagator	
	Year of initial propagation	
30	If the cultivar was received as an unnamed seedling or plant where did it come from?	

31	If the cultivar has received any awards, please list them here.	
----	---	--

PART 3: DESCRIPTION OF THE CULTIVAR

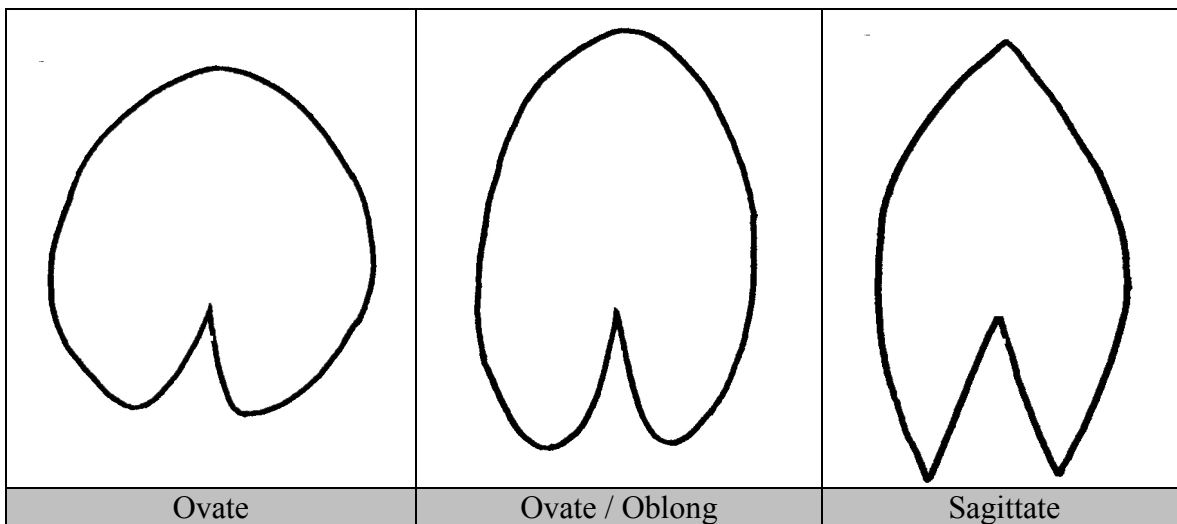

32	What are the distinctive characteristics of the new cultivar?	
33	What existing cultivar does the new cultivar most resemble?	
34	In what way is the cultivar distinct from that in 33?	

35 Please tick the box to indicate the general overall shape of the flowers. If the state is intermediate tick boxes that reflect the intermediate state.

36	Please indicate the colour of the petals (see notes)	
37	Filament colour	
38	Anther colour	
39	Sepal colour abaxial	
40	Sepal colour adaxial	
41	Sepal number	
42	Pedicel colour	
43	Pedicel glabrous / pubescent	
44	Diameter of flower	cm
45	Petal number	
46	Is the cultivar fragrant?	
47	Emergence height above water	cm

48 Please tick the box to indicate the general overall shape of the leaves. If the state is intermediate tick boxes that reflect the intermediate state.

49 Please tick the box to indicate the general margins of the leaves. If the state is intermediate tick boxes that reflect the intermediate state.

50	Leaves average Length x Width	X	CM
51	Diameter of plant		
52	Leaves abaxial colour		
53	Leaves adaxial colour		

54	Sinus	
55	Petioles colour	
56	Plants Viviparous?	Circle: YES NO

57 Please tick the box to indicate the lobes of the leaves. If the state is intermediate tick boxes that reflect the intermediate state.

58 Please write any other comments or information you would like the Registrar to publish
